Headteacher: Mr. D. W. Ellis

To whom it may concern.

Re: Pro-Glaze.

I have used Pro-Glaze for repairs at our school for over four years now and we have always found them to be a very reliable company.

When I was first introduced to Pro-Glaze, the owner of the company, Simon, came into school and introduced himself personally. He is a very reliable, honest and hardworking person and this shows through his work and also his workforce.

His workmanship is near to perfection and I know that if we ring him he will have measured up and probably have finished the repair within 24 hours.

I can highly recommend him for any job that needs his expertise.

Yours sincerely

A. J. Spencer.
Secretary.
