 To Whom it May Concern

Dear Sirs

Simon of Pro-Glaze Ltd has worked for the school for a number of years, carrying out a range of tailor-made joinery projects and glazing services.

The works have included manufacture and installation of fire door screens, display walls and display cabinets, all made to fit the school's needs. The valuation of the above contracts has varied from £500 to £5,500.

Pro-Glaze's glazing division also provide the school and myself with an excellent service, very good workmanship and are helpful and always prompt.

May I take this opportunity to thank Simon and his team for their continued hard work and always friendly service.

If you require any more help, please do not hesitate to contact myself at the above address.

Yours faithfully
